AED Locations
We are very fortunate to have 2 AED's in our Pearl Lake community. Thank you to the Rockville Lions

Did you know, about 73.4% of Sudden Cardiac Arrests happen at home, followed by public settings (16.3%), and nursing homes (10.3%).

If an AED (Automated External Defibrillator) is used within 3-5 minutes, the survival rate is higher. Every minute without an AED, the chance of survival drops by 10%.

These AEDs are accessible 24/7. They also include instructions on how to use them.

The Rockville Lions have already purchased multiple units, but they need your help to purchase more. Please consider donating to Advocates for Health. (A donation of any amount will help, and is tax deductible) The life you save could be yours.

Educate yourself in CPR, AED, Choking, First Aid through...

American Red Cross

American Heart Association

Contact board Member Debbie Allar for any questions with nearby education opportunities

Past Event Photos

Did you get snapped at our last event? Check out the photos below and also on our social media to see if you were snapped!

Did you know...

Minnesota boasts an acre of water for each 20 acres of land. Six percent of the state is covered with water—more than any other state. Minnesota has more miles of shoreline than Hawaii, California, and Florida combined. There are 6,564 (approximately 69,200 miles) natural rivers and streams in Minnesota.

What are the 5 zones of a lake?
Every Pond or lake has several different zones that divide the water column from top to bottom and side to side. These zones consist of the Littoral Zone, Limnetic Zone, Profundal Zone, Euphotic Zone, and Benthic Zone.

Thank you!

Volunteers do not necessarily have the time; they just have the heart.

Wish Upon a Sunflower

Sunflower event for Make-A Wish MN will be back for 2023. Help provide strength, hope and transformation for children with critical illnesses by donating to a life changing experience. Purchase your very own wine tumbler or coffee mug featuring a beautiful etching of Pearl Lake.

Wine tumbler (\$22) stainless steel, 12oz with lids for hot or cold beverages, available in red, white and navy blue.

15oz coffee mugs(\$26) stainless steel, with full sliding closure lids for hot or cold beverages and a handle, available in 14 colors.

Proceeds go to Make-A-Wish. Please contact Simonne at 510-388-9324 via text.
