Stearns County Permits 2023

<http://www.mndnr.gov/mpars/index.html>

MPARS supports six permit types:

- Water Appropriation
- Public Waters Work
- Dam Safety
- Aquatic Plant Management
- Invasive Aquatic Plant Management
- Aeration

Any of the following activities require a permit:

- Destruction of any emergent vegetation such as cattails, bulrushes and wild rice.
- Cutting or pulling by hand or mechanical means submerged vegetation in an area larger than 2,500 square feet or greater than 50 feet along shore.
- Applying chemical pesticides such as herbicides and copper sulfate.
- Moving or removing a bog of any size.
- Transplanting aquatic plants into public waters.
- Use of automated aquatic plant control devices such as the Crary WeedRoller.
- Physical removal of floating-leaf vegetation from an area larger than a channel 15-feet wide extending to open water.
- Hiring someone to mechanically remove aquatic plants or doing it yourself. Contact the [APM program coordinator](#).

- Goals of 2023
 - Limnopro Survey and future steps
 - AIS management
 - Lake shore spraying
 - Fisheries
 - learn more about what the landowners want
 - community events/Info

Adopt a Highway

Earth day clean up is on April 22, 2023.

The Lake Association encourages everyone to do their part and clean up what you are able. We would also like to gather around 2pm and clean up the stretch in yellow. This is our designated Adopt a Highway area that is our responsibility to clean up twice a year. We would like to ask that all who are able come out and help clean up our adopt a highway commitment.

Board Member Debbie will have vests and bags available. Please reach out to schedule pick up. Text or call 320.980.8590

Board Members

We are always welcoming new board members. Contact any of the board members to join the board.
