Why Pay Lake Association Dues?

Your dues directly support the health, safety, and enjoyment of our lake community by helping to:

- 1. Preserve & Protect the Lake** - Focused efforts on water quality, AIS (aquatic invasive species), and runoff control. **(weed control)**
- 2. Fund Critical Projects** - Supports AIS treatment, water testing, shoreline control, surveys, and future grants. **(applications/research)**
- 3. Support Fish Stocking** - Partners with the DNR for regular walleye stocking and supplements as needed. **(Every year fish stocking)**
- 4. Provide Education & Resources** - Offers guidance on lake concerns, shoreline best practices, and responsible lake living.
- 5. Drive Community Action** - Organizes the boat parade, fireworks, National Night Out, fishing contests, and more.
- 6. Represent Your Interests** - Collaborates with SRWD, MPCA, COLA, DNR, and MN Lakes & Rivers to influence lake-related policy and funding.
- 7. Promote Connection** - A great way to meet fellow lake members and have your voice heard on lake issues and volunteer.

Pay your \$50 annual dues by mailing a check to Tyler or using Venmo. Include your membership name with the payment for record keeping.

If you prefer traditional methods, please mail your donation to Tyler Kleve at 19359 East Shore Drive, Kimball, MN 55353. Alternatively, for a more convenient option, you can send your donation directly via Venmo. (see above)

Support the 2026 fireworks event with a monetary donation, by mail or via Venmo (same as above). Thank you for your support!

We continue to partner with the Sauk River Watershed district to move towards the steps to better the future of Pearl Lake. Please check out their website for education, webinars to continue to learn what we can do as a community.

Mission:

The Pearl Lake Lake Association has been working since it's founding in 1992 to protect and improve Pearl Lake. It is also of importance to enhance the outdoor experience for all who share it, for current generation and for those which follow.

The organizations priority programs, Aquatic invasive species, prevention and fisheries management. In addition, volunteers are engaged in many other community programs such as fundraising, adopt a highway, community events to support Pearl lake community.

We are always welcoming new board members. Contact any of the board members to join the board.
